See below for Financial Assistance Options

2024-2025 Financial Assistance

We encourage you to apply for any financial assistance you may qualify for. Carousel Preschool currently accepts the following Financial Assistance Programs:

[Child Care Assistance Program](#)- Child Care Assistance (CCAP) is offered directly through the Louisiana Department of Education and covers all or a portion of our tuition fees for families whose income is 85% or less than the State Median Income (SMI) and meets certain eligibility requirements. The income eligibility has recently changed and families who may not have qualified before may qualify now. For assistance applying, please contact [Kim Jones](#) with Jefferson Parish Early Childhood Network.

[Preschool Development Grant \(B-3\)](#)- This is a program funded for children 3 years old and younger offered through the Jefferson Parish Ready Start Network to Jefferson Parish residents. This is an income based program that will allow families a free childcare seat. Families who qualify for a B-3 seat will receive funding assistance to cover any tuition costs during the Academic year (Please note: full tuition charges will be due during the Summer months).

Military Families: Carousel also accepts financial assistance for military families through [Child Care Aware](#) and [NAVY CYP](#)!

Flexible Spending Accounts (FSA): Carousel Preschool does qualify as an approved childcare service for FSA accounts through your employer. We can provide monthly receipts as requested by your employer, or you can access your statements anytime by visiting myprocare.com using your email address on file to login.

If there is another program you are aware of that we do not currently accept, please reach out, as we are happy to apply for any program we are eligible for.
